

# HEAP Participants:

Do you want to receive  
up to a \$300 credit  
on your electric bill?

## Ask us about the Assurance 16 program!

### What is Assurance 16?

Assurance 16 helps individuals or families increase home energy efficiency by:

- Learning about energy efficiency
- Using a free home energy savings kit
- Tracking energy usage
- Learning budgeting strategies

**Earn up to  
\$300 in total  
savings!**

### Electric bill credits include \$60 for each of the following:

- Completing a household spending plan/budget
- Completing 4 sessions of financial education
- Participating in energy assessment education, including an energy audit, tracking energy usage and discussing ways to reduce usage
- Implementing free energy conservation kits
- Following the household spending plan/budget for 4 consecutive months
