We're Here to Support Safe, Healthy Aging

At Downeast Community Partners (DCP), we understand the challenges of aging in rural Maine. We know how important it is to maintain the balance between the supports our aging neighbors need and the independence they value. As such, DCP's Elder Services exist to provide the essential support our neighbors and their families throughout Hancock and Washington counties need to thrive in their own homes and communities. Whatever the cause of your need for support, it is our privilege join you on your journey. Whether you are an older Mainer seeking guidance as you navigate community resources or a family caregiver looking for day service for a loved one, we are a phone call away and we are here to support safe, healthy aging.

Friendship Cottage, located in Blue Hill, provides adult day service to dependent adults who may be coping with physical, mental, or memory challenges. Our mission is to provide care and socialization for dependent adults in a safe, supportive, and homelike environment.

At Friendship Cottage, we provide:

- A certified medication aide to ensure medications are taken at proper times and doses.
- An accessible shower
- An onsite laundry room
- A nutritious breakfast, lunch, and snacks
- Group activities that encourage community involvement
- Transportation to and from the facility, if needed.

Friendship Cottage accepts MaineCare payments and other state funds to provide service.

Elder Services Navigator

Elder Services Navigators help older Mainers and their caregivers connect with various resources that assist with food, fuel, utilities, transportation, home repairs, finances, healthcare and insurance. This service is available in Washington County.
